

PAMELA B. KATZ, P.E.
CHAIRMAN OF THE CONNECTICUT SITING COUNCIL.

Pamela Katz is Chairman of the Connecticut Siting Council, an executive branch agency in Connecticut State Government.

The Siting Council's charge, by statute, is to objectively balance the statewide public need for adequate and reliable services at the lowest reasonable cost to consumers with the need to protect the environment and ecology of the state. Electric generation and transmission, natural gas, and specific forms of telecommunications infrastructure are under the exclusive jurisdiction of the Siting Council.

Before assuming the chairmanship in 2003, Chairman Katz worked in a variety of other roles at both the state and municipal levels. She served as Director of the Connecticut Resources Recovery Authority and as a Selectman in the Town of Simsbury.

Chairman Katz is a registered professional engineer, a licensed environmental professional with the State of Connecticut, a registered environmental professional, and a certified safety professional. She operates a professional consulting practice specializing in environmental and safety matters.

Chairman Katz has a B.S. in Environmental Science, magna cum laude, and an M.S. in Environmental Health Engineering, both from Tufts University.
